

LET'S ADVENTURE TOGETHER

"Hi, I'm Kit, and I've always been a traveller. For the past 20 years, I've been taking people with me to some incredible places — Africa, India, South and Central America, Southeast Asia, Antarctica... the list goes on.

Last November, I visited Bhutan on a photography tour, and I am REALLY excited to be going back in October 2027 —perhaps with you!

This is a unique opportunity to immerse yourself in the gentle warmth of Bhutanese hospitality and experience a country that measures its success in Gross National Happiness rather than Gross Domestic Product. It's not a tourist board slogan—it's a way of life. Come with me and discover a culture that has remained remarkably untouched by the modern world."
